CATEGORY 01 / 06

Lifestyle Programs

Multi-week guided programs that build the foundation of long-term wellness — what to eat, how to eat, how to move, how to breathe, and how to make it stick.

9 PROGRAMS • PAGES 5-7

LIFESTYLE PROGRAMS

CONCENTRA • WELLNESS ED

● 5 WEEKS

Path Program

The core program: principles that lead to lower weight, healthier hearts, and longer lives — what to eat, how to eat it, pulling your sweet tooth, raising your basal metabolic rate, and controlling stress-induced overconsumption.

LENGTH

5 weeks

TRACKING

Questions & Video

● 9 WEEKS

Grocery Store Tour

A walk through the miles of aisles showing you what's good, what's not, and why — so you can navigate the store with confidence.

LENGTH

9 weeks

TRACKING

Questions & Video

● 6 WEEKS

Find Your Peace

Based on the most recent research in clinical psychology and cognitive behavioral therapy — one mindfulness factor each week, with practical coaching to help you succeed.

LENGTH

6 weeks

TRACKING

Questions & Video

● 8 WEEKS

Cooking for Health

There is health in the hearth. Though home-cooked meals seem to be slipping away, for optimal health it is a tradition we need to revive.

LENGTH

8 weeks

TRACKING

Questions & Video

● 8 WEEKS

Not One Ounce

A walk-through of the season from November to New Year's — weekly coaching to cross this time of treacherous temptations without gaining one single ounce.

LENGTH

8 weeks

TRACKING

Questions & Video

● 3 WEEKS

Breathing in Health

Practical, affordable breathing techniques to help you calm down, relax, and energize your body — with benefits for daily and long-term health.

LENGTH

3 weeks

TRACKING

Questions & Video

● 4 WEEKS

Managing Menopause

A four-part series with tips for managing mood, hot flashes, night sweats, weight, and more.

LENGTH

4 weeks

TRACKING

Video Completion

● 3 WEEKS

Controlling Your Sweet Tooth

Sugar is okay — it comes down to choices and amount. Practical weekly tasks help create a healthy relationship with sweets.

LENGTH

3 weeks

TRACKING

Video Completion

● 2 WEEKS

Fasting as a Part of Health

Fasting is an ancient practice with many forms. Discuss the health benefits and the various approaches you may want to try.

LENGTH

2 weeks

TRACKING

Video Completion

CATEGORY 02 / 06

Disease Management

Targeted multi-week programs for participants managing chronic conditions — practical food, movement, and lifestyle strategies that complement clinical care.

3 PROGRAMS • PAGES 9-9

● 4 WEEKS

Blood Pressure Management

No need to take the fun out of eating and living to get your blood pressure under control. A tasty and sustainable approach that makes the changes stick.

LENGTH

4 weeks

TRACKING

Questions & Video

● 4 WEEKS

Cholesterol Management

For those with high cholesterol interested in lowering it — and those who want to prevent it. Food choices, menu planning, portion control, exercise, and stress management.

LENGTH

4 weeks

TRACKING

Questions & Video

● 4 WEEKS

Diabetes Management

Designed for Type 1 and Type 2 diabetics interested in incorporating a Mediterranean-style approach to eating and living into their management regimen.

LENGTH

4 weeks

TRACKING

Questions & Video

CATEGORY 03 / 06

Webinars

Stand-alone 30-minute sessions on the topics that come up most — heart, stress, hydration, sleep, food labels, brain health, prevention, and more. Drop-in friendly.

43 PROGRAMS • PAGES 11-25

● 30 MIN

Mediterranean Living

The Mediterranean people got it right — fusing the joy of eating, living, and wellness into one. Learn the tips and tricks of the diet and lifestyle.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Heart Health

Everyday practical tips on food and lifestyle choices to prevent high blood pressure, heart attack, and stroke — caring for your heart one beat at a time.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Men's Health

Everyday ways to prevent heart disease, diabetes, and prostate and lung cancers — plus how to deal with and prevent depression.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Women's Health

The principle things women face as they try to manage their health in mind, body, and spirit.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Stress Management

Stressors are real. Setting yourself up to deal with them helps prevent depression — discuss what's in your control.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Diabetes

Diabetes in America is considered out of control. Discuss prevention tips that also expand to those with diabetes — aiding management.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Cholesterol

Cholesterol is not as bad as we all think — it's a necessary component of the body, but we need to keep it in check.

LENGTH	TRACKING
30 minutes	Questions & Video

● 30 MIN

Skin Health

Care for your largest organ from the outside with topical treatments — and from the inside by optimizing the foods you consume.

LENGTH	TRACKING
30 minutes	Questions & Video

● 30 MIN

Prevention

Ways to prevent the major chronic diseases — including cancers, heart disease, and diabetes.

LENGTH	TRACKING
30 minutes	Questions & Video

● 30 MIN

Nutrition

Ways to increase nutrition intake — and the ways we sabotage our efforts. Food choices, multivitamins, juicing, and more.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Work from Home

Practical, helpful tips to work from home in a productive manner, all the while caring for your health.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Handling Gastric Reflux

For those dealing with acid reflux. Sustainable, practical tips in eating and lifestyle to manage the condition as naturally as possible.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Asthma Control

Nutrition and lifestyle measures to help those who are trying to manage — or help someone manage — the condition of asthma.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Quit Smoking Strategies

A big part of quitting smoking permanently is changing your daily ways of living. Strategies to make the necessary behavioral changes.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Fasting and Health

Different fasting methods, their effects on the body, and how they may improve overall wellness — to make informed decisions for your lifestyle.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Understanding Food Labels

Food labels can be confusing. Understand the various portions of a nutrition label and how to use it as a tool to better your health.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Meditation for Everyday Health

The basics of meditation — a scientifically based practice available to everyone. A tool that helps calm the mind for relaxation and other health benefits.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Brain Health

Early-onset dementia is on the rise, but it's a condition we can minimize. Research-backed strategies to keep cognition and memory sharp.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Understanding Carbs

Carbohydrates have a bad rap. What are they? Are they healthy? Plus Keto, the Glycemic Index, and sugar.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Healthy Picnics

Picnics are a classic event centered around food, family, friends, and fun. Easy ways to make your picnic time nutritious and delicious.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Healthy Grilling

Grilling can be a healthy or unhealthy way to cook — certain techniques make all the difference. Ways to grill healthfully and tastefully.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Eating on a Budget

Healthy eating need not be expensive. Practical ways to eat nutritiously and deliciously on a budget.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Exercise as Part of Your Day

Short bursts of movement throughout your day benefit your health. Tips on how to attach movement to daily activities — no extra time required.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Helpful Household Herbs

Fresh and dried herbs have wonderful health benefits. How to grow, harvest, and store them — or simply cook with them for health and flavor.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Healthy Living on the Road

For those who spend a lot of time on the road. Tips on eating, exercising, and more to help you get and stay healthy while traveling.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Summer Exercise

Summer fitness has its own hurdles — fractured schedules, vacations, daily heat. Clear each hurdle with ease.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Strength Training Without a Gym

Receive the health benefits of strength training in the comfort of your own home — and make it a sustainable activity.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Summer Stressors

Summer is wonderful — and stressful. Sources of stress that only show up in June, July, and August, and how to deal with them.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Healthy Hydration

Adequate hydration doesn't mean eight glasses of water a day. How to stay properly hydrated while enjoying the drinks you enjoy.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Deciphering Drinks

We have an assortment of drinks available today. How to keep them in balance — caffeine, sugar, sports drinks, and much more.

LENGTH
30 minutes

TRACKING
Questions & Video

● 30 MIN

Creating Connections

Drawing on the principles of behavioral psychology to open possibilities for reconnecting. A great step forward.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Creating a Calming Corner

Creating a calming corner at home is one of the many ways to help manage stress. A guide to building yours.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Embracing Change

All change can be a stressor if not handled properly. Strategies to embrace it so it doesn't become a chronic stressor.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Creativity in Health

The powerful connection between artistic expression and well-being. How creative activities reduce stress, boost mood, and enhance overall health.

LENGTH

30 minutes

TRACKING

Questions & Video

● 30 MIN

Mindful Eating First Steps

First steps to eating mindfully — understanding what's in your way, and the tools to overcome it.

LENGTH

~7 minutes

TRACKING

Video Completion

● 8 MIN

Mindful Listening

The power of listening in a mindful way — so you can truly hear the communication.

LENGTH

~8 minutes

TRACKING

Video Completion

● 7 MIN

Mindful Speech

How your words, tone, and cadence impact how you're heard — improving communication with those around you.

LENGTH

~7 minutes

TRACKING

Video Completion

● 7 MIN

Power of Choice

Regaining control over the chaos in your life.

LENGTH ~7 minutes **TRACKING** Video Completion

● 7 MIN

Pregnancy

A meditation on the gift and miracle of your physical and mental relationship with your baby.

LENGTH ~7 minutes **TRACKING** Video Completion

● 9 MIN

Taking Steps Toward Lifelong Health

On the importance of walking.

LENGTH ~9 minutes **TRACKING** Video Completion

● 7 MIN

Unloading Burdens

How to manage the burdens others place on you.

LENGTH

~7 minutes

TRACKING

Video Completion

● 5 MIN

Use Your Psychology to Improve Mindful Eating

Fundamental aspects of your psychology — and how to use that knowledge to practice mindful eating every day.

LENGTH

~5 minutes

TRACKING

Video Completion

● 7 MIN

Visualize Goal Setting

A meditation using your breath to help you visualize setting and accomplishing a goal.

LENGTH

~7 minutes

TRACKING

Video Completion

● 5 MIN

Your Connection Personality

Find your own personal connection style — and how it can mesh with others around you.

LENGTH

~5 minutes

TRACKING

Video Completion

● 6 MIN

Face Forward into Your Future

On letting the past go so you can turn to a more positive future.

LENGTH

~6 minutes

TRACKING

Video Completion

CATEGORY 06 / 06

Take 12

Twelve-minute mini-sessions on the day-to-day topics — burnout, cravings, body image, clutter, motivation, technology, time, treat foods, and the small habits that compound.

29 PROGRAMS • PAGES 53-62

● 4-PART • 12 MIN

A Healthy Approach to Food

Strategies to cultivate and sustain a healthy approach to food. Whether food is a struggle right now or not, there are tips for everyone.

LENGTH

4 weeks, ≤12 min each

TRACKING

Video Completion

● 12 MIN

Beat Burnout

Between work, caring for loved ones, and creating special times, burnout can be real. Tips to beat it and become more present.

LENGTH

≤12 minutes

TRACKING

Video Completion

● 12 MIN

Checks and Balances of Stuff

Having an overabundance of stuff (and spending too much) can cause stress. Simple techniques for buying and accumulating things.

LENGTH

≤12 minutes

TRACKING

Video Completion

● 12 MIN

Controlling the Candy Craze

We don't have to give up the treats — we need to learn and practice the tricks. Ways to deal with the candy so it can be part of a healthy diet.

LENGTH	TRACKING
≤12 minutes	Video Completion

● 12 MIN

Creating a Healthy Eating Environment

The set-up and surroundings of where you eat can affect how much you eat. Create a healthy eating environment in and outside the home.

LENGTH	TRACKING
≤12 minutes	Video Completion

● 2-PART • 12 MIN

Decrease the Clutter

Clutter presents in many forms. Strategies to decrease both physical and mental clutter — and the negative impact it has on health.

LENGTH	TRACKING
2 weeks, ≤12 min each	Video Completion

● 3-PART • 12 MIN

Developing a Healthy Body Image

We all come in different shapes and sizes — there is not one look that fits all. Ways to develop a healthy body image.

LENGTH

3 weeks, ≤12 min each

TRACKING

Video Completion

● 12 MIN

Eliminate Energy Zappers

Ever feel tired for no good reason? Many things can be energy zappers — but there are things we can do to keep our energy up.

LENGTH

≤12 minutes

TRACKING

Video Completion

● 3-PART • 12 MIN

Handling Food Cravings

We eat for many different reasons. A three-part series of strategies that help you conquer your food cravings.

LENGTH

3 weeks, ≤12 min each

TRACKING

Video Completion

● 12 MIN

Make an Evening Plan

An evening plan with structure creates a calm environment — leading to better sleep and managed stress.

LENGTH

≤12 minutes

TRACKING

Video Completion

● 12 MIN

Making Meditation Manageable

There are many ways to meditate. One approach that's easy to make part of daily living — without being overwhelming.

LENGTH

≤12 minutes

TRACKING

Video Completion

● 4-PART • 12 MIN

Motivation and Energy

Feeling stuck, lazy, or unmotivated? Each week provides strategies to help with increasing energy and motivation for daily living and health.

LENGTH

4 weeks, ≤12 min each

TRACKING

Video Completion

● 2-PART • 12 MIN

Negativity and Health

There is more to health than food and exercise. A two-part series on making ourselves healthier by our attitude.

LENGTH

2 weeks, ≤12 min each

TRACKING

Video Completion

● 2-PART • 12 MIN

Quick Cooking Techniques

Sometimes we just need to get a meal on the table — fast. Tips and tricks to do just that.

LENGTH

2 weeks, ≤12 min each

TRACKING

Video Completion

● 12 MIN

Stretch in Seconds

Regularly stretching is like giving your body a personal massage — and it doesn't have to happen all at once.

LENGTH

≤12 minutes

TRACKING

Video Completion

● 3-PART • 12 MIN

Take Charge of Your Time

Not managing time can be a stressor. Manage time during the holidays to keep stress low and let the joy flow.

LENGTH

3 weeks, ≤12 min each

TRACKING

Video Completion

● 3-PART • 12 MIN

Take Control of Technology

Technology — a blessing and a curse. Optimize technology to benefit health and take control of it, instead of it controlling you.

LENGTH

3 weeks, ≤12 min each

TRACKING

Video Completion

● 2-PART • 12 MIN

The Art of Giving

The cost of everything is up, but that doesn't have to dampen the joy of gift giving. Cost-effective gift ideas that warm hearts.

LENGTH

2 weeks, ≤12 min each

TRACKING

Video Completion

TAKE 12

● 12 MIN

Turning Down the Stress

We all deal with stress. A technique you can apply to turn it down in your life.

LENGTH	TRACKING
≤12 minutes	Video Completion

● 12 MIN

Cook and Eat with Intention

How intentional cooking and eating supports a healthy relationship with food — without dieting or major restriction.

LENGTH	TRACKING
≤12 minutes	Video Completion

● 12 MIN

Creating Deeper Connections

Connecting with others is critical for health, and a pillar of Mediterranean Wellness. How to foster deeper connections.

LENGTH	TRACKING
≤12 minutes	Video Completion

● 12 MIN

Exercise Your Brain

Discover neuroplasticity — your brain's amazing ability to adapt, learn, and grow. Why it matters at every age.

LENGTH

~12 minutes

TRACKING

Video Completion

● 12 MIN

Gaining Control of Treat Foods

Treat foods are special foods that aren't necessary in the diet. Tips and tricks to allow them in without sabotaging health.

LENGTH

≤12 minutes

TRACKING

Video Completion

● 12 MIN

Goodbye Guilty Eating

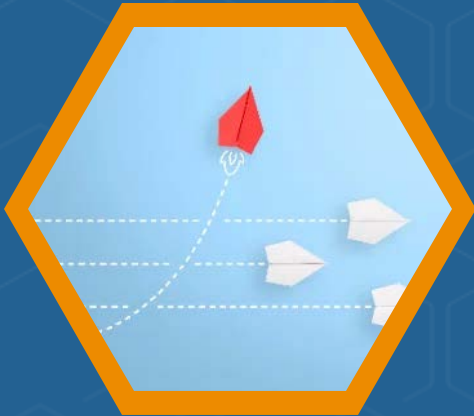

It's important to maintain balance — and equally important to let go of the unhealthy shame that can come with eating.

LENGTH

≤12 minutes

TRACKING

Video Completion

TAKE 12

● 12 MIN

Learn to Let Go

Constantly worrying about things outside our control takes a toll. A practical strategy to release stress and refocus your energy.

LENGTH ~12 minutes TRACKING Video Completion

● 12 MIN

Sweet Tooth Cravings Conquered

Enjoy holiday meals without overindulging — simple strategies to savor favorites while keeping portions in check.

LENGTH ≤12 minutes TRACKING Video Completion

● 2-PART • 12 MIN

Redirecting Resolutions

Whether you set a New Year's resolution or tried to make a change and failed — how to make changes that last.

LENGTH 2 weeks, ≤12 min each TRACKING Video Completion

● 12 MIN

The Art of Attentiveness

Mindfulness and attentiveness — powerful tools against stress. A creative, playful way to amplify their impact on whole-body health.

LENGTH

~12 minutes

TRACKING

Video Completion

● 2-PART • 12 MIN

The Mindful Act of Doing Something Mindless

Finding the right way to unwind in the time we have can be a challenge. A unique approach that fits seamlessly into your day.

LENGTH

2 weeks, ≤12 min each
